SILVERWOOD GOLF COURSE CHANGES

Silverwood Municipal Golf Course (Wanuskewin Road) has changed from an 18-hole course to two 9-hole courses.

The two new 9-hole courses will be known as "Silverwood Lake 9" (front nine) and "Silverwood River 9" (back nine) to recognize the geography of each course. The name, Silverwood Golf Course, will remain unchanged for the facility.

The adjustment to two 9-hole courses will allow for more affordable, time-efficient and family-friendly golf for the public. Eighteen-hole play will still be available on Silverwood for those golfers who wish to golf a full 18-holes.

Silverwood is Saskatoon's only par three golf course and was designed with the beginning golfer and family in mind. The course features a driving range, practice green, pro shop, coffee shop, and CPGA staff. Instruction is available and golf club and pull cart rentals are also offered.

Silverwood Golf Course is also featuring a Family Special in 2008 where children 14 years of age and under golf free when accompanied by a minimum of one playing adult or senior from May 1 to September 30.

To book a tee time at Silverwood, call 975-3314. For more information on Silverwood or any municipal golf course, visit www.saskatoon.ca (look under "G" for "Golf Courses").
